

Issues papers:  
Grassland and  
savannah

---

- 
- A photograph of a grassy hillside with yellow and purple flowers under a clear blue sky. The foreground is filled with tall green grasses and several clusters of bright yellow flowers. In the mid-ground, there are several purple flowers with dark, spiky centers. The background shows a hazy, rolling landscape under a clear blue sky. A thin orange horizontal bar is located in the top left corner of the slide.
